List of *Star Trek: Voyager* episodes

This is an episode list for the science-fiction television series *Star Trek: Voyager*, which aired on UPN from January 1995 through May 2001. This is the fifth television program in the *Star Trek* franchise, and comprises a total of 168 (DVD and original broadcast) or 172 (syndicated) episodes over the show's seven seasons. Four episodes of *Voyager* ("Caretaker", "Dark Frontier", "Flesh and Blood", and "Endgame") each originally aired as two-hour presentations, and are

considered whole episodes on the DVD release; additionally, parts I and II of "The Killing Game" aired back-to-back, and are treated as separate episodes on the DVD release. The episodes are listed in chronological order by

original air date, which match the episode order in each season's DVD set. This list also includes the stardate on which the events of each episode took place. Of the ratings listed below, total viewership for the episode is listed for season 1, however from season 2 the episode household ratings are listed.
